

Welcome

Welcome to Spotlights, our monthly communication to our community. We will be highlighting providers and services, sharing important dates, and more. Thank you for allowing Prowers Medical Center to be your place for complete, compassionate care.

She's Back!

We are thrilled to welcome **Meagan Hillman, PA-C**, back to Prowers Medical Center. Meagan is seeing patients part-time at the Convenient Care Clinic.

Meet Your General Surgeons

Jeff Johnson, MD
General Surgeon

Ernie Steinle, MD, FACS
General Surgeon

Convenient Care is Back!

After a 4-year break, the Convenient Care Clinic has reopened!

Available on Tuesday and Wednesday evenings from 5–7 pm, Convenient Care is here for sick patients with symptoms or illness appearing the day of, or within the previous 1–2 days. **Appointments must be scheduled at 719-336-6767.**

Convenient Care is not for establishing care, chronic pain visits or medication refills.

New Service

Several members of our nursing team recently completed specialized training to become **Sexual Assault Nurse Examiners (SANE)**. If you or someone you care about is sexually assaulted, these on-call nurses can not only provide the necessary physical care, but can perform a medical forensic exam. Previously, patients were escorted to Pueblo for this type of exam.

We hope you or a loved one never needs this new service, but we know the reality of what may bring some patients into our Emergency Department. Our SANE nurses will also help a victim of sexual assault to connect with community resources for additional support.

Health Fair All Year Long

October is your next chance for low-cost screening labs to help you monitor chronic conditions or get that annual check-in on your health. Mark your calendar for every Wednesday, 7 – 9 am. To make an appointment, call 719-336-8363.

We've got your health in mind – all year long!
